Research Publications on Maharishi’s Transcendental Meditation and TM-Sidhi Programme

Bibliography 1970–2014

This bibliography lists 380 original studies and reviews of research published in independent peer-reviewed journals or other edited scientific publications. A small number of these publications examine a comprehensive multimodal approach to health that includes Transcendental Meditation.

Abrams AI, Siegel LM. Transcendental Meditation and rehabilitation at Folsom Prison: response to a critique. Criminal Justice and Behavior 1979 6(1):13-21
